CU Engage is the First Credit Union Consulting Company to be Recognized by Inc. 500's Fastest Growing Companies

CU Engage now shares a pedigree with Intuit, Zappos, Under Armour, and Microsoft

St. Petersburg, FL, August 15th 2018: CU Engage is recognized as the 227th fastest growing company in America by Inc. Media. This is the first credit union consulting company to receive this recognition.

"Companies that made the list, on average, have grown six-fold since 2014. During a stretch when the economy grew around 11 percent, that's a result most businesses can only dream of. As an Inc. 5000 honoree, CU Engage now shares a pedigree with Intuit, Zappos, Under Armour, [and] Microsoft."

- James Ledbetter, Editor in Chief, Inc. Media

"CU Engage credits our success to two major factors – our team and our clients. Without a team of experts dedicated to our clients' success, we wouldn't be where we are after starting out 4.5 years ago. We have expanded our services from starting out with a payments (credit and debit) foundation to now including technology assessments, digital evaluations, analytics strategy, LOS evaluations, network negotiations and more. We are humbled by the clients we serve and their enthusiasm to work with us on any strategic project they have at their credit unions.

- James Guild, Co-Founder, Managing Partner, CU Engage
